CHAIRMAN'S NOTE

As a current Member of the Open GI User Group, we are pleased to let you know what discounts we have been able to secure for you for the renewal year 2020.

In negotiation with the Sales Team in Open GI, we have discussed what we can get FREE and what we can save you money on.

While a list of the current Membership is known to Open GI, we would always recommend you ask about the discounts when discussing any purchase with your Account Manager.

Occasionally, we are able to add to these discounts, especially on our popular Members Days, where the Sales Team Management attend and often add a product to the list (usually something we have offered training on too, so it's win win).

As always, if you have a question or want more help, get in contact with us at member@opengiusergroup.co.uk or check into the Forum.

Either way, we're always here for you.

Marc Pons-Burt
National Chairman
